VCLC Tutor Wins Governor's Distinguished Public Service Award

Congratulations to Bunny Guenther, a VCLC Tutor and office volunteer, who has been chosen for the Governor's Distinguished Public Service Award for 2009!

After many years with the U.S. State Department working overseas in Nepal, India, Europe, Canada, and China, Bunny settled down with her husband in Valencia County in 1978. "I had

been working since I was 7," Bunny says, "and I had nothing to do, so I began looking around." She studied substance abuse counseling at UNM and had a second career as well as volunteering with recovering individuals. She also volunteered for the Belen Senior Center, Our Lady of Belen church, the Center for Ageless Living, and many other places. Thank you, Bunny!

El Cerro Mission Preschool Families Visit County Commission

On September 2, 2009, the Parents Council at the preschool went to thank the Valencia County Commission for use of the El Cerro Mission Community Center. The Parent Council also raised over \$1200 for the preschool this year, visited the Explora Science Museum with their children, set rules for the preschool, and attended a YDI parenting class.

VCLC Receives \$3,809 from New Mexico Educator's Credit Union

Imagine my surprise this summer--I received a call from Hena Torres that the New Mexico Educator's Federal Credit Union had a check for the Valencia County Literacy Council (VCLC). When I arrived at our local branch, I discovered the check was for \$3,809 to buy books for Valencia County children. Credit Union members had chosen VCLC this year to receive contributions. A thousand thanks to NMEFCU members from all of us at VCLC! We received another donation of \$100 from Fred Carabajal of the Valencia County Chamber of Commerce and may now be able to receive matching funds from the national Reach Out and Read agency. --Jill A.Oglesby, VCLC Executive Director
